

A GUIDE TO PROGRAMMING AND AGENDA BUILDING

The statement: "A good program means a good meeting" is generally true. Without a well-planned, interesting, entertaining and/or challenging program, a men's meeting will be dull.

Some ingredients or characteristics of a good UMMen agenda include:

- ◆ Develop and print your agenda
- ◆ Have name tags if group is large and for visitors
- ◆ Start on time and end on time
- ◆ Programs should be Christ centered
- ◆ Appoint a program committee
- ◆ Provide opportunity for small group meetings
- ◆ Plan and invite program participants well in advance
- ◆ Look for outstanding program leadership in your local church, community and city
- ◆ Develop an annual UMMen's calendar and coordinate with local church calendar
- ◆ Publicity is important. Send a notice, develop a telephone tree and email list.
